5. Principal debt

- 5.1. You understand that:
 - 5.1.1. every purchase of goods and services you have authorised on your credit facility will form part of the aggregate principal debt on which we will charge you interest; and
 - 5.1.2. you must pay all amounts debited to the credit facility in terms of this agreement together with interest thereon to us in the manner set out in this agreement.

6. Use of your credit facility

- 6.1. When you use your credit facility to purchase goods and services, you must sign a quotation or sales voucher.
- 6.2. We may debit your credit facility with all transactions presented to us unless it can be proved that you did not authorise the supplier to process the transaction concerned.

7. Interest

- 7.1. **Agreed rate**
 - 7.1.1. Your credit facility has a variable interest rate, meaning that the agreed interest rate applicable to the payment

plan on your credit facility may vary from time to time directly in accordance with changes in the applicable reference rate (repo rate).

- 7.1.2. Within 30 business days after any such variation takes effect, we will inform you in writing of the variation. Any notice of variation may be by sms, mail, fax, email or other electronic forms of communication.
- 7.1.3. Unless the agreed interest rate is reduced in the manner described below, interest will be charged on the payment plan applicable to your credit facility at the maximum rate applicable from time to time in terms of the NCA, or any re-enactment or replacement thereof and disclosed in your statement.
- 7.1.4. Interest is calculated on a daily basis on the daily closing balance of your credit facility. The daily interest so determined is aggregated for the period between the dates of the previous and current billings and added to the balance owing by you in terms of the credit facility on the date of current billing.

7.2. Reference rate

- 7.2.1. In respect of transactions on your credit facility, we have selected an interest rate below the prescribed maximum interest rate permitted by the NCA for credit facilities as the rate for purposes of determining the agreed interest rate applicable to your credit facility. This rate may change from time to time based on the underlying repurchase rate charged by the SA Reserve Bank (SARB) as well as your specific credit risk.
- 7.2.2. The NCA currently stipulates the maximum interest rate that may be charged is as follows: the reference rate (meaning the repurchase rate charged by the SARB, from time to time) multiplied by 2.2 per annum plus 10 percentage points.

7.3. Default interest

- 7.3.1. Interest is calculated on the daily balance owing on your credit facility from time to time. You can minimise the amount of interest charged to your credit facility by making your total payment due (i.e. the monthly instalment) in full by the payment date as specified on your statement.
- 7.3.2. If you do not make such payment by such due date, default penalty interest will be charged in accordance with the NCA and your credit facility will be in arrears and you will therefore be in default of this agreement. The interest rate applicable while you are in default of, or have overdue payments under, this agreement will be the maximum interest rate that is prescribed in the NCA.

7.4. Discounted interest

- 7.4.1. Interest may be discounted (i.e. reduced) on your credit facility at our discretion or if you are on a discounted interest payment plan. The waiving of interest, such as through our first 6 months no interest product, is solely at our discretion and should you not pay the amount due, or pay a lesser amount than the amount due, to us by the payment due date, we reserve the right to terminate the discounted interest rate and in future to continue charging you interest on your credit facility in accordance with the preceding provision of clause 7 (and not this clause 7.4) despite the credit facility being brought up to date and it being a plan in terms of which interest is ordinarily discounted.
- 7.4.2. However, should you not pay the amount due, or pay a lesser amount than the amount due, to us by the payment due date, interest will be charged as stipulated

in clause 7.3.2.

8. How we calculate the deferred amount

- 8.1. The deferred amount is the aggregate amounts that you owe us under this agreement at any point in time and which you must repay to us. Interest is calculated on the deferred amount. The deferred amount may include the:
 - 8.1.1. credit advanced;
 - 8.1.2. interest;
 - 8.1.3. fees and charges as set out in the quotation or pre-agreement;
 - 8.1.4. default administration charges (if relevant to this agreement); and

- 8.2. The deferred amount will be reduced by all amounts you pay to us to settle the principal debt or which we credit to your credit facility.

9. Credit limit

- 9.1. You cannot buy any goods and services with your credit facility if to do so means that you will exceed the credit limit.
- 9.2. You are responsible for managing your purchases within the credit limit.
- 9.3. If we accept a transaction that results in you exceeding the credit limit, it does not mean that we have extended or increased the credit limit on any permanent basis, but rather that we have allowed a temporary excess by way of indulgence only, at your special instance and request. You are obliged to immediately bring your credit facility in line with the agreed credit limit. You will be liable for payment of the full amount by which you exceed the credit limit.

10. Changes to the amount of the credit limit

- 10.1. You may at any time, by written notice to us, instruct us to reduce the credit limit in force that you will accept.
- 10.2. We may, by written notice to you, reduce the credit limit then in force. The reduction will be effective upon delivery of the written notice via SMS, Email, Fax or Post.
- 10.3. We may increase the credit limit only in accordance with your instructions and in accordance with the NCA.

11. Payment to suppliers

- 11.1. If we are not the suppliers of the goods or services purchased on your credit facility:
- 11.2. We have the right to pay suppliers the amount appearing on the voucher or slip concerned, when the voucher or slip is presented to us for payment and to debit your credit facility with the amount of these payments.
- 11.3. We will credit your credit facility with the amount of a credit voucher when we receive a credit voucher or slip from the supplier for goods and services you purchased using your credit facility at the supplier.

12. Disputes with suppliers

- 12.1. If we are not the suppliers of the goods or services purchased on your credit facility:

- 12.3. No dispute between a supplier and you will give you the right to:
 - 12.3.1. refuse to repay us for any payment we made to the supplier for goods and services you bought from the supplier using your credit facility;
 - 12.3.2. instruct us to refuse to pay the supplier for the goods and services you bought from the supplier using your credit facility; or
 - 12.3.3. instruct us to do a chargeback of a payment already made to the supplier for the goods and services you bought from the supplier using your credit facility.
- 12.4. Unless we acted with gross negligence or fraudulent intent, we will also not be liable for any damages, costs, expenses or loss which you may suffer or incur as a result of, arising from, or in connection with any fraudulent or otherwise unlawful or unauthorised use of your credit facility by any other person.
- 12.5. We do not act as the agent of any supplier, nor do we endorse the quality of any supplier's goods or any services offered by a service provider. Therefore, unless we acted with gross negligence or fraudulent intent or in breach of this agreement, we will not be responsible to pay for any damages, costs, expenses or losses which you may suffer or incur as a result of, arising from, or in connection with any goods or services you bought from any supplier using your credit facility.

- 13.2. You must make all your repayments in South African rand.
- 13.3. You may decide what method to use to make your payments, as long as we agree to this method and you make sure that we receive the payments on the dates on which they are due under this agreement. The fact that you choose the method does not in any way take away any part of your obligations under this agreement and any payment will only be properly made when we receive and process the payment.
- 13.4. Should you elect to use cash a method of payment, we will charge you a cash deposit rate of R4 + 1% of the amount deposited as a cash deposit fee. You are requested to make any cash deposit payment directly into our bank account.

14. You may pay amounts before they become due

- 14.1. You may prepay any amount you owe us under this agreement. We will credit each payment you make on the date we receive the payment. We will apply the payments as follows:
 - 14.1.1. first to pay any interest that is due by you;
 - 14.1.2. second to pay any fees or charges that are due;
 - 14.1.3. third to reduce the amount of the principal debt that you still owe us.

- 17.3. We will deliver statements to you electronically.
- 17.4. Should you have a query regarding the correctness of your statement of credit facility or dispute regarding any merchandise purchase or other transactions reflected on it, you must notify us within 30 (thirty) days of the date of that particular statement, otherwise it will be deemed that your statement of credit facility is correct
